Hampton to open cooling site tomorrow

The National Weather Service has upgraded its heat advisory to a heat warning for Hampton until 8 p.m. tonight. Since tomorrow is predicted to be warmer than today, the city will be opening a cooling site at West Hampton Community Center, 1638 Briarfield Rd. The site will be open from noon to 8 p.m. on Saturday.

Today Hampton Roads Ecumenical Lodgings and Provisions (HELP) has been out in its mobile cooling center providing water, Gatorade, fruit, snacks and cheese. HELP will be out tomorrow as well.

Residents without air-conditioning may visit their local public library or community center to take advantage of the air-conditioned facilities. Hours of operation can be found at www.hampton.gov.
